I think the second house has a iron fence and might have bars on the windows. I know that she takes them on and off. (Right Behind the Visalia Mail) in a House. I have been their with the US Government/International Intelligence and other associates that were observing but she was a serious live emergency life threatening (subject). She was being investigated for murdering people/children and setting traps all over the world; even with animals. She has been investigated since the 90's and early 2000s' by other associates and people that known her since childhood. They have been investigating her forever because of her (Criminal Family) and her odd behavior (Criminal Ways). She

bangs the gang (24) Visalia/Fresno/Tulare/Modesto/Lodi. She is a gang banger.(fact) I am not playing. She stocks, harass, murders, tortures, hunts, molests, raps,(animals, people, and children).(fact) She has done it to me Repeatedly and other good people/children/friends. She isn't doing this all by herself. She does it with/by gang banger like herself. drug addicts (Medical Asst. Doctors, SW, Therapist, Courts Staff, law enforcement, government. state and city workers.

- She is also involved in corrupt Real-Estate, she used to work with the cousin branch of Washington Mutual. The company and owner of a program Larry Landry and who he was associated with. He and one other person created was a loans/banks/safes good system.(contracts). It was doing ok and it split into branches and then it became other banks/safes and loans contracts systems. She was like a loans processor in the 80s and early 90s. Penelope Clarke and who she was affiliated with tried as hard as they could to sabotaged and steel it while they dog the program. They even went to court over it. Larry Landry or who he was associated suied her and press charges on her. She went out of her way for years to ruin the safe processing and the persons reputation and keep trying to set/traps and she has been arrest for it. But the courts didn't dismiss what she had done. She murdered the judge and the people that where testifying on her even children too. A lot of families where counting on the system and lot of people lost their job, lives over Penelope (evil control). Robing bank accounts, horbing, herbing, money, drugs, drugging, murdering people/children and switching without any remorse . This is not her job.
- She should have been dead along time ago. The only reason way she is alive is because of her whoring sick pedophile, preying and murdering the public with this group of psycho cereal murders; If she has done a crime to you and you report it or you fight back.. She murders you or she has you murdered with and it goes with this same group and she even uses other children to do the sick the worse kind of crimes (even murder). She is Penelope Clarke relative and partner in crimes. Pamela Clarke is just as guilty as Penelope they are involve in the same shit with each other and the same psycho murders group. She is also a gang banger too. They both go by Penelope Clarke and switch their names and place even with their jobs to hide off the f up bs they have done. They kidnap. force sexual favors, or rape. They get off on it. They like it.

There are a lot of Taylor and Tyler They look Identical they lie and they say that they aren't related when they are then they lie and tell ever one that Stephanie, Kathleen, Kathryn, Kathjine are just one person and on purpose confuse the person because the name sound very similar. Example Stephanie Taylor and Stephanie Tyler they look Identical and they are two different people. They lie and say that they aren't related they fuck with you over their name. Example Kathryn and Kathjine do the same thing: one is a Taylor and one might be a Tyler. Then they lie and say that if you're a Tylor or its Tyler. Your not related. When they look Identical. Then they play blood test games and tell everyone that they aren't related. When its not true. They are blood related that's what International Intelligence and some good judges told me. Stephanie's, Kathleen, Kathryn, Katharine, Kathjine, Kathrinj, Katie, Karen, Michelle, Play off each other names. They are all almost Identical and switch and act like they are one person. They are all serial murders and headhunters of the worse kind all over the world. They are the Courts, Government Postitute, evil law enforcement, evil relate-state.

All these little girls look Identical to my daughter and would call them self Teresa Juarez and call me mom.

67. Theresa Warriez They are all murdered.

68. Teraesa Warriez

70. Therasa Juarez

71. Terara E. Juarez Feb 1994 or Oct 1993

72. Theresa Moralez Nov 30th 1994 Her grandpa Judge Ferences gave me custody of her and right after US Judge Ferences was murdered. I was trying to get her and she just disappeared. She was my daughters cousin. I saw her disappear.

- About twenty little girls that are my daughter's cousin or my daughter almost all of them were murder.
- Oct 2001-2002

Marcus Scott a person name Gescilla and a couple of Judges contacted me and told me to go down to Vacaville they wanted to show me something. I went down and I found out that there were about 15 to 20 little girls that look Identical to my daughter around the same age. I saw them at Phillips private school. I was very hurt and shock that there were so many little girls that look identical to my daughter and was calling themselves my daughter or my daughters name Teresa Juarez. They were all so call me mom. I came back to check on them. A couple of women that sad that they were their grandma. Their name was Josie Martinez, Juarez, Juarez. Only Josie Juarez is my daughter grandma. I saw them injecting them and poison and tried to stop. The little girls were in so much pain. They were doing this over and over again in oct. 2001 and feb 2002. I did try to stop it. Most of my daughters cousins didn't make it. They wouldn't stop trying to murder them with help. I know that Anthony Juarez, Juarez, Josies', Martha/Marta Santiago/s/z, Jose Ramirez, Taylor, Sanchez and some women that look just like me were switch my

daughter. They switch her since birth. They would give me my daughter's cousin and make me think that the little girl/babies were mine, but I knew in my heart that she wasn't mine. I would bust them. I thought there was just maybe one or two cousin not 20 of them.

Patrick Peralta Current Sacramento Family Court Staff or his cousin that looks Identical to him with the same name: he was doing the hit to murder my daughter and her cousins. Patrick work at the school Phillips and with the group of people that I am talking about they stolid 10,000 from the school. The little girls were in foster care. They were murdering the people trying to help my daughters cousins and even murdering the people trying to pay the 10,000 so they would get kick out of school. A lot of the little girls were murdered.

I've had to go to the morgue looking for my daughter 1999-2002. I have done blood test with the courts and they tell me that Teresa is my daughter but they won't tell me if she is alive or murdered 1999-2002. They just gave me my daughter or another little girl that looks very similar but she isn't my biological daughter they are my daughters cousins about three to four of them telling me that they are my daughter. They think I am their mom and I think they are my daughter. Someone kept stealing mine and my daughters' Birth Cert. 1994-2004 over and over again. 2004 someone stolid: mine, my daughter and my son Birth Cert and I reported it to identity theft Washington DC.

My daughter Teresa Juarez was taken from me since birth. They switch my daughter with to different little girls. The little girls were too dark. I did report this for yrs. I was yelling at staff that they switch my daughter and I know they FN did. I was a little girl 16 years old. My daughter was a big 8lbs almost 9lbs. I have always been very very, boney, and tiny. They made me go over due. I know that there was a little girl name Theresa Juarez or Warrioez born 3/30/94 and my daughter Teresa Juarez 3/31/94. I didn't find these out until 2002. They both are my daughters only one is my bio daughter. I think they are murdered. The doctor that delivered my daughter was a Taylor. She was related to Kathryn Taylors' and Tylers'.

1993 Dec 1994 Jan/Feb Kathryn Taylors'/'Tylers'. Wouldn't stop stalking, sexually attacking me even when I was pregnant. She would follow me to my appointments. They had the staff attack me with staff and Taylor stick her fist in side of me. All the way up my whole to my uterus. I thought I was going to lose my daughter. She wouldn't stop excusing me that I was pregnant with my rapes Vincent Sanchez/Valesquez baby: she took a chain and tried to choke me to death when I was 6 to 7 month pregnant. The person that was helping her assaulted me, they were trying to kill me and my daughter and it was also a Sanchez. Vincent's cousin. When I saw who the doctor was I didn't want her to touch me Taylor and Sanchez. I

didn't want to go back.. but my mom made me go back. I was also poisoned when I was six months and my Martha Santiago wouldn't stop hurting me I thought I was in labor.

Taylor/Tyler Sanchez/Ramirez as well as my own mom helping sexually, assault me even raping me and my male friends.

I got was every sick when I was six months pregnant. I was poisoned. I was in pain all over I think I was going into labor. My mom wouldn't stop hitting me and she wouldn't stop hitting the back of the head. I couldn't move to throw up. I was choking and she was pulling my hair and hurting me. She didn't make sense. Taylor/Tyler wouldn't leave me alone.

I have report my daughter possibly being murdered about three to four times. Because of the other girls that look almost identical to my daughters. Herr father family teams up with my relatives and these group of people switch my daughter. A lot of them have been murdered. I really think that my daughter might be murdered.

My daughter was light complicated born with black light brown almost blond running through her hair no red.. She had a lot of hair. She look just like Anthony Juarez. They took her from me and I swear to god they gave me a different baby. I don't think I had my daughter but I dont know for sure. My mom is that sick and would do this to me. They would murder her. They keep trying to give me the baby that was to dark with dark brown blonde and red hi lights running thru her hair. They would not stop switching my mom would not stop acting like I was abandoning my daughter and playing FN games.
